

Great Lakes Cruising Club's 2021 Lake Erie Wilderness Rally

Erie, Pa. (E-4) / Presque Isle State Park • Cost \$30 USD

July 17–19, 2021

(Early birds come Friday, July 16)

The Lake Erie South Shore does not really have any true "wilderness" areas to anchor and enjoy nature. Presque Isle State Park has the best of both worlds.

A beautiful anchoring area protected on all four sides with good holding in sand and mud. The park is surrounded by trees and wildlife on three sides. There is also an exploring area leading from the lagoons going to "Misery Bay" where Commodore Perry "hid" his ships during the war.

This rally was designed for members who always wanted to anchor out but didn't quite know how to do it. You will be among experienced members who can guide and teach you to enjoy one of the sought after joys of boating. Here at this rally you can anchor out, and if it doesn't quite suit you, civilization is one-half-mile away in the awesome setting of Presque Isle Bay. There are several marinas to serve your needs. You have the opportunity of being docked at a marina and the ability to join the anchoring festivities during the day. Truly the best of "both worlds".

This anchorage will suit those that want to be "out there" and share the beauty of the outdoors. It has much to offer with a scenic shoreline, lagoons to explore, plus... fuel, food, and mechanical help are in close proximity.

Mark your calendars for July 17–19 and join us for fabulous fellowship.
