

# Lake Superior Rally

Houghton-Hancock, Mich. (S-200)

August 4 - 6, 2023

We are trying a new location for the Lake Superior Rally. For the first time, it will be held at Houghton-Hancock (S-200) on the spectacular Keweenaw Peninsula, Mich. (S-199). This location was only recently made possible by a major harbor improvement project of Houghton's City Dock. We hope you will attend. We are happy to announce that the Saturday and Sunday breakfasts, as well as the Saturday evening dinner, will be at the Copper Range Depot on Houghton's waterfront.

The featured speaker for the Saturday's dinner is Dr. John Vucetich, Michigan Technological University. He leads of the decades long wolf-moose study at the Isle Royale National Park. In addition, Dr. Vucetich is an avid sailor, who races in the *Shanti*, a C&C 33. You really don't want to miss his presentation.

If you haven't cruised the Keweenaw before, we strongly encourage you to also visit some of the area's other enticing harbors and anchorages after the Rally, such as (S-207) Copper Harbor. The Keweenaw Peninsula is geologically very similar to Isle Royale, and has plenty of beauty to match. However, while it indeed has stunning nature, this is not a wilderness area. Instead, there are charming towns, developed harbors, historical sites, and mine tours, as well as plenty of exciting opportunities for outdoor recreational activities. It's another must-see Lake Superior sector to explore, and Houghton-Hancock is its gateway.
