A new way to stay in touch

ABOUT THIS NEWSLETTER: Effective communication often involves regular contact. That's what this digital newsletter is all about. You, our members, have told us you prefer more timely information than the quarterly *Lifeline* magazine could provide.

So, welcome to the Great Lakes Cruising Club's *Lifeline* newsletter. It will be delivered to you monthly at no extra charge. It is a different format, but It will provide all the familiar information carried in the magazine about club events, activities and resources. The big difference is that you will now get a monthly menu of highlights that will better allow you to make

plans, access GLCC website resources, and have a better overall boating experience.

FROM THE BRIDGE

HOW BOATERS ENJOY JANUARY: Yes, it's crappy weather outside now for us boaters. Shrink-wrapped is not how we prefer to see our craft. But now is the time to plan for the summer. I'm doing some planning with a big smile on my face.
