

Great Lake Cruising Club
2008 Wilderness Rally
“This Land Is Your Land”

Chorus

These lakes are your lakes these lakes are my lakes
From the Whales Back Channel to the Bustard Islands
From the Bay of Islands to Tobermory
These lakes are made for you and me.

As I was cruising protected waters
I looked around me at swimming otters
I saw below me the house sized boulders
These lakes are made for you and me.

Chorus

I took my dinghy to pick blueberries
I filled my pockets, all I could carry
Found poisoned ivy and started itching
These lakes are made for you and me.

Chorus

First “Morning Light”, I had a “Reverie”
It was a “Vision” of “Lady J”
“Alon-a-Bay” with our “Blue Heron”
These lakes are made for you and me.

Chorus

This “Fairy Tale”, cuts like a “Glider”
“Windy Affair” had a one nighter
To play “Adagio”, t’would be a “Class Act”
These lakes are made for you and me.

Chorus

Wilderness Rally at Keyhole Island
Uniting friends both new and old ones
We’ll see each other on future waters
These lakes are made for you and me.
