

Sing a Long

Great Lakes Cruising Club

1. Swanee River (C)

Chorus

Way down upon the Swanee River, Far, far away
There's where my heart is turning ever, That's where the old folks stay.

All the world is sad and dreary. Ev'rywhere I roam.
Old brother how my heart grows weary, Far from the old folks at home.

Chorus

All up and down the whole creation, Sadly I roam,
Still longing for the old plantation, And for the old folks at home.

Chorus

All round the little farm I wandered, When I was young.
Then many happy days I squandered, Many the songs I sung.

Chorus

One little hut among the bushes, One that I love;
Still sadly to my memory rushes, No matter where I rove.

Chorus

When will I see the bees a-humming, All round the comb?
When will I hear the banjos strumming Down in my good old home?

Chorus

2. Shine On Harvest Moon (G)

The night was mighty dark so you could hardly see
The moon refused to shine
Couple sitting underneath the will tree for love they pine.
Little maid was sort of 'fraid of darkness
So she said, I guess I'll go
Now boy began to sign, looked up at the sky
And told the moon this little tale of woe.

Chorus

Oh, shine on, shine on, Harvest Moon, up in the sky.
I ain't had no lovin' since January, February, June or July.
Snow time ain't no time to stay outdoors and spoon
So shine on, shine on, Harvest Moon, For me and my gal.

3. In the Good Old Summertime (G)

In the good old summertime, In the good old summertime.
Strolling through the shady lanes With your baby mine.
You hold her hand and she hold yours, And that's a very good sign
That she's your tootsey-wootsey In the good old summertime.

4. Red River Valley (G)

From this valley they say you are going, We will miss your bright eyes and sweet smile,
For they say you are taking the sunshine That brightens our pathway a while.

Chorus

Come and sit by my side if you love me, Do not hasten to bid me adieu,
But remember the Red River Valley And the girl who has loved you so true.

From this valley they say you are going, When you go, may your darling go, too?
Would you leave her alone, unprotected, When she love no other but you?

Chorus

As you go to your home by the ocean, May you never forget those sweet hours
That we spent in the Red River Valley And the love we exchanged 'mid the flow'rs.

Chorus

5. Red River Galley (G)

From this galley you say you are leaving You're fed up with the pots and the pans
And the burners that never are working And the food that all comes out of cans

Chorus

Come and sit by my side if you love me Do not hasten to bid me adieu
Just remember the good times at sea dear even though we both know they are few

Do not grieve while you're having such fun dear, T'won't be long till the wind will die down
And the waves will subside I am sure dear, Then perhaps we can dinghy to town

Chorus

Clean the boat one more time before going, Swab the deck, oil the teak, wax the hull When you
look at all these fun things You've been doing, You can see cruising life's never dull!

Chorus

O, please stay till the end of the season, I know I can't cope if you're not here
And for this more than any other reason, When you're gone then who'll fetch my beer

Chorus

You say your mother is coming to visit, Sleeping up in the V berth with you
If she's still here three days from tomorrow, I'll be leaving this boat before you!

Chorus

6. On Top Of Old Smoky (C)

On top of old Smoky, all covered with snow,
I lost my true lover from courting so slow.
Now courting is pleasure, And parting is grief
And a false hearted lover is worse than a thief.

Say a thief will just rob you and take what you have
But a false hearted lover will lead you to the grave.
And the grave will decay you and turn you to dust
Not one goy in a hundred a poor girl can trust.

They'll hug you and kiss you and tell you more lies
Than the cross-ties on the railroad or the stars in the skies.
So come all you young maidens and listen to me
Never place you affection on a green willow tree.

For the leaves they will wither and the roots they will die
You'll all be forsaken and never know why.
On top of Old Smoky all covered with snow
I lost my true lover from courting too slow.

7. Down in the Valley (C)

Down in the valley, valley so low, Hear the wind blow, dear, hear the wind blow,
Hang you head over, hear the wind blow

Roses love sunshine, Violets love dew, Know I love you dear, know I love you,
Angels in heaven know I love you.

Build me a castle forty feet high As he rides by, dear, as he rides by,
So I may see him as he rides by.

8. Sentimental Journey (C)

Gonna take a sentimental journey, Gonna set my heart at ease.
Gonna take a sentimental journey To renew old memories,
Got my gad, got my reservation, Spent each dime I could afford.
Like a child in wild anticipation, Long to hear that "All aboard."
Seven, that's the time I leave, at seven. I'll waitin' up for Heaven,
Countin' every mile of railroad track That takes me back.
Don't know why my heart should be so yearning. Why did I decide to roam?
Gonna take a sentimental journey, Sentimental journey – home.

9. Puff (the Magic Dragon) (G)

Puff, the magic dragon, lived by the sea
And frolicked in the autumn mist in a land called Honalee
Little Jackie Paper loved that rascal Puff
And brought him strings & sealing wax & other fancy stuff

Chorus

O- Puff, the magic dragon, lived by the sea
And frolicked in the autumn mist in a land called Honalee

Together they would travel on a boat with billowed sail
Jackie kept a lookout perched on Puff's gigantic tail
Noble kings & princes would bow whene'er they came
Pirate ships would lower their flags when Puff roared out his name

Chorus

A dragon lives forever, but not so little boys
Pained wings & giants' rings make way for other toys
One gray night it happened, Jackie Paper came no more
And Puff that mighty dragon, he ceased his fearless roar

His head was bent in sorrow, green scales fell like rain
Puff no longer went to play along the cherry lane
Without his lifelong friend, Puff could not be brave
So Puff that mighty dragon sadly slipped into his cave

10. Carolina In The Morning (C)

Nothing could be finer than to be in Carolina in the morning.
Nothing could be sweeter than when I meet her in the morning.
Where the morning glories twine around the door
Whispering pretty stories I long to hear once more.

Strolling with my girlie where the dew is pearly, early in the morning.
Butterflies all flutter up and kiss each little buttercup at dawning.
If I had Aladdin's lamp for only a day I'd make a wish and here's what I'd say:
Nothing could be finer than to be in Carolina in the morning

11. Wait Till The Sun Shines, Nellie (G)

Wait 'til the sun shines, Nellie, When the clouds go drifting by.
We will be happy, Nellie, Don't you sigh.
Down Lover's Lane We'll wander, Sweetheart, you and I.
Wail 'til the sun shines, Nellie, Bye and bye.

12. Jamaica Farewell (C)

Down the way Where the nights are gay
And the sun shines daily On the mountain top
I took a trip on a sailing ship
And when I reached Jamaica I made a stop

Chorus

Well, I'm sad to say I'm on my way Won't be back for many a day
My heart is down My head is turning around
I had to leave a little girl in Kingston town

Down at the market you can hear Ladies cry out While on their heads they bear
Aki rice, salt fish are nice And the rum tastes fine any time of year

Chorus

Sounds of laughter everywhere And the dancing girls swing to and fro
I must declare that my heart is there Though I've been from Manitoulin to Mexico

Chorus

13. Bye, Bye Blues (D)

Bye, Bye, Blues, Bye, Bye, Blues.
Bells ring, birds sing, sun is shining
No more pining Just we two, smiling ghru
Don't sigh, don't cry, Bye, Bye, Blues.

14. Bye Bye Boat (D)

There goes my sail boat Driftin' down the bay
It dragged its anchor While I was away
I set one anchor What a fool I've been
That darned old Danforth Let me down again

Chorus

Bye bye boat Bye bye sea-sickness
Now it will cost me less I don't think I'm gonna cry
Bye bye boat Bye bye unwanted guests
Now there's a lot less stress Don't think I'm gonna cry

The windbuggers broken And my engine won't run
I'm sitting here cussing This sure ain't fun
But now I'm leaving This junk for good
I'm through with boatin' Should be understood

Chorus

I'm through with cruisin' I'm through with boats
I'm through with dodgin' Everything that floats
And here's the reason That I'm so free
That damned old sailboat Floated way from me.

Chorus

15. When The Saints Go Marching In (C)

O when the Saints go marching in O when the Saints go marching in
O Lord I want to be in that number When the Saints go marching in

And when the sun refused to shine And when the sun refused to shine
O Lord I want to be in that number When the Saints go marching in

When the moon turns red with blood When the moon turns red with blood
O Lord I want to be in that number When the Saints go marching in

O Lord I want to be in that number When the Saints go marching in

16. Cape Cod Girls (C)

They're plain and skinny as cad fish gills, Haul away, Haul away!

Chorus

17. You Are My Sunshine (C)

You are my sunshine, my only sunshine, You make me happy when skies are grey.
You'll never know, dear, how much I love you. Please don't take my sunshine away.
The other night, dear, as I lay sleeping I dreamed I held you in my arms,
But when I awoke, dear, I was mistaken, And I hung my head and cried.

18. You Are My Danforth (C)

Chorus

You are my Danforth, my only Danforth You hold me fast when skies are grey
You'll never know Dan How much I trust you Please don't let my boat drift away

The other night Dan, as I lay sleeping I felt the boat begin to pitch
When I awake Dan My boat was dragging Now I'm up here without a stitch
Chorus

My courage flagging My bare butt wagging As we slipped sideways down the bay
I heard some fussing? And tons of cussing? As you ripped other anchors away
Chorus

I hit the cockpit and fired the engine And pushed the throttle full ahead
The anchor rope, Dan, is in the prop now In the morning my face was all red.
And there's nothing more to be said!

How many roads must a man walk down Before you call him a man?

How many years can a mountain exist Before it's washed to the sea?
Yes& how many years can some people exist Before they're allowed to be free?

They've used up the water They've taken our bed They've broken the outboard

And clogged up the head

We've got no more clean towels They use three a day They oil up their bodies

I'll hang my harp on a weeping willow tree And may the world go well with thee

He left me for a damsel dark, damsel dark
Each Friday night they used to spark, used to spark

40. The Star-Spangled Banner

Oh say, can you see by the dawn's early light,
What so proudly we hailed at the twilight's last gleaming.
Whose broad strips and bright stars, through the perilous flight,
O'er the ramparts we watched were so gallantly streaming.
And the rockets red glare, The bombs bursting in air,
Gave proof through the night that our flag was still there.
Oh say, does that Star Spangled Banner yet wave,
O'er the land of the free and home of the brave.

Five foot two, eyes of blue, but oh what those five foot could do
Has anybody seen my girl?
Turned up nose, turned down hose Never had no other beaus
Has anybody seen my girl?

Diamond rings and all those things
Betcha life it isn't her.
But could she love, could she woo Could she, could she, cold she coo
Has anybody seen my girl?

46. I'm Looking Over A Four Leaf Clover

I'm looking over a four leaf clover that I overlooked before.
One leaf is sunshine, the second is rain
Third is the roses that grow in the lane.
No need explaining the one remaining is somebody I adore.
I'm looking over a four leaf clover that I overlooked before.

47. For The Good Times

Don't look so sad; I know it's over;
But life goes on and this old world will keep on turning.
Let's just be glad we had some time to spend together.
There's no need to watch the bridges that we're burning.

Chorus

Lay your head upon my pillow.
Hold your warm and tender body close to mine.
Hear the whisper of the raindrops blowing soft against the window
And make believe you love me one more time,
For the good times.

I'll get along; you'll find another.
And I'll be here if you should find you ever need me.
Don't say a word about tomorrow or forever.
There'll be time enough for sadness when you leave me.

Chorus

48. Whiffenpoof Song

To the tables down at Mory's To the place where Louie dwells,
To the dear old Temple Bar we love so well, Where the Whiffenpoofs assemble
With their glasses raised on high And the magic of their sining casts a spell,
Yes, the magic of their singin' Of the songs we know so well,
"Shall I Wake Thee" and "Mauvorean" and the rest.
We will serenade our Louie While heart and voice will last
And will pass and be forgotten with the rest.
We are little black sheep that have gone astray Baa, baa, baa
Gentlemen songsters out on a spree Doomed from here to eternity.
Lord, have mercy on such as we Baa, baa, baa.

49. I'm Forever Blowing Bubbles

I'm forever blowing bubbles, Pretty bubbles in the air.

50. I Had A Dream, Dear

You tell me your dream And I'll tell you mine.

51. Tie A Yellow Ribbon

I'm comin' home, I've done time,
Now I've got to know what is and isn't mine.
If you received my letter tellin' you I'd soon be free
Then you'll know just what to do if you still want me,
If you still want me.
Tie a yellow ribbon 'round the old oak tree.
It's been three long years.
Do ya still want me?
If I don't see a ribbon 'round the old oak tree
I'll stay on the bus, forget about us,
Put the blame on me
If I don't see a yellow ribbon 'round the old oak tree.

52. Bye, Bye Blackbird

Pack up all your cares and woe, Here I go, singing low,
Bye, bye, blackbird.
Where somebody waits for me, Sugar's sweet, so is she,
Bye, bye, blackbird.
No one here can love and understand me.
Oh what hard luck stories they all hand me.
Make my bed and light the light; I'll arrive late tonight,
Blackbird, bye, bye.

53. When You're Smiling

When you're smiling, when you'r smiling
The whole world smiles with you.
When you're laughing, when you're laughing
The sun comes shining through.
But when you're crying you bring on the rain
So stop your signing, be happy again.
Keep on smiling 'cause when you're smiling
The whole would smiles with you.

54. Tiny Bubbles

Chorus

Tiny bubbles in the wine Makes me feel happy, Makes me feel fine.
Tiny bubbles makes me warm all over, With a feeling that you're gonna love me
Till the end of time.

So here's to the golden sun, And here's to the silver sea,
And mostly here's to you and me.

Chorus

55. Hello, Dolly!

Hello, Dolly, Well, hello, Dolly.
It's so nice to have you back where you belong.
You're looking swell, Dolly, we can tell, Dolly.
You're still glowin', you're still crowin',
You're still goin' strong.
We feel the room swaying, for the bands playin'
One of your old favorite songs from 'way back when.
So take her wrap, fellas,
Find her an empty lap, fellas.
Dolly'll never go away, Dolly'll never go away,
Dolly'll never go away again!

56. Just In Time

Just in time, I found you just in time
Before you came my time was running low.
I was lost, the losing dice were tossed,
My bridges all were crossed, nowhere to go.
Now you're here and now I know just where I'm going.
No more doubt or fear, I've found my way.
For love come just in time. You found me just in time,
And changed my lonely life that lovely day.

57. Back Home Again

John Denver

There's a storm across the valley.....Clouds are rollin' in
The afternoon is heavy on your shoulders
There's a truck out on the four lane a mile or more away
The whinin' of his wheels just makes it colder
He's an hour away from ridin' on your prayers up in the sky
And ten days on the road are barely gone
There's a fire softly burning.....Supper's on the stove
But it's the light in your eyes that makes him warm.

Chorus

**Hey, it's good to be back home again
Sometimes this old farm feels like a long-lost friend
Yes 'n' hey, it's good to be back home again.**

There's all the news to tell him; how'd you spend your time?
And what's the Latest thing the neighbors say?
And your mother called last Friday: "Sunshine" made her cry
And you felt the baby move just yesterday. **(chorus)**

And oh, the time that I can lay this tired old body down
and feel your fingers feather-soft upon me
The kisses that I live for.....The lovethat lights my way
The happiness that livin' with you brings me. **(chorus)**

It's the sweetest thing I know of, just spendin' time with you.....
It's the little things that make a house a home.....
Like a fire softly burning and super on the stove
And the light in your eyes that makes me warm. **(chorus)**

58. Sloop John B

We come on the Sloop John B, my grandfather and me. Around Nassau town we did roam,
Drinking all night, Got into a fight, Well I feel so break up, I wanta go home.

Chorus

**So hoist up the John B sail, see how the mains'l sets,
Gall for the captain ashore, let me go home.
Let me go home, I wanta go home, Well I feel so break up, I wanta go home.**

First Mate, he got drunk, broke up the people's trunk, Constable had to come and take him away.
Sheriff John Stone, why don't you leave me alone? Well I feel so break up, I wanta go home.

Chorus

The poor cook he caught the fits, threw away all of my grits,
Then he took and ate up all of my corn.
Let me go home, I wanta go home, This is the worst trip I've ever been on.

Chorus

59. Ballad of Sarah

Sarah, Sarah, sittin' in a shoe shine shop
Sarah, Sarah, sittin' in a shoe shine shop
All day long she sits and shines
All day long she shines and sits
Sarah, Sarah, sittin' in a shoe shine shop

Sarah, Sarah, sittin' in a cabaret
Sarah, Sarah, sittin' in a cabaret
All day long she sips her Schlitz
All day long her Schlitz she sips
Sarah, Sarah, sittin' in a cabaret

Sarah, Sarah, sittin' in a Chevrolet
Sarah, Sarah, sittin' in a Chevrolet
All day long she sits and shifts
All day long she shifts and sits
Sarah, Sarah, sittin' in a Chevrolet
